Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest performing schools are provided the appropriate support for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach.

School Specific Information

For the 2023-2024 school year, your child's school has been classified as a **two-star** school.

To support school and district goals, William K. Moore Elementary School is utilizing its allocated Title I funding as follows:

- **Class Size Reduction:** The funds will cover the full salaries of two teachers and 75% of a third teacher's salary.

Rational: Reducing class sizes in the intermediate grades enables teachers to better address individual student needs and provide differentiated instruction in smaller groups at each student's instructional level.

Specific information regarding the plan for continuous improvement can be located on the school's website in the School Performance Plan (SPP): A Roadmap to Success.

Sincerely,

Mrs. Alexandra Robertson

Principal
